These coffee mornings follow the Church Service, but is not limited to church-goers, so everyone is welcome!

## **NEWS FROM CULVERHILL**

What a winter!

I've been training horses for 25 years and can't remember a wetter one than this. We have had a few winners in February but we don't generally train mud larks, so the deep ground combined with the number of abandonments has made it a tough month. And of course you get lots more runners because a weeks racing has been missed!

But finally today the sun is out and the days are lighter so hopefully things will improve soon.

The cows have nearly all calved now. Lovely to have them around. They will be out on the yard running about soon. Mostly heifers this year which is odd but useful!

*Jane Williams*

The annual meeting of our church council will take place in the Village Hall on Monday 18th March at 4 pm, where we present our accounts and elect officers for the year. Anyone is welcome!

Please support the stall run by our church at the Pannier Market in South Molton on Thursday 21st March.

We are planning a repeat of our popular plant sale in early May, so please start nurturing your seedlings and cuttings!
